

LightCrimp Plus™ Fiber Optic Connector Kit, SC, MM, duplex

Product Classification

Portfolio	NETCONNECT®
Brand	LightCrimp Plus™
Product Series	LightCrimp
Product Type	Fiber connector
Regional Availability	Asia Latin America North America

Construction Materials

Fiber Type	OM2
Ferrule Geometry	Factory polished
Ferrule Material	Ceramic
Fiber Mode	Multimode
Material Type	Glass filled polybutylene terephthalate (PBT)

Dimensions

Compatible Cable Diameter, maximum	3.00 mm 0.12 in
Compatible Cable Diameter, minimum	2.50 mm 0.10 in

General Specifications

Interface	SC
Body Style	Duplex One-piece
Interface Feature	Epoxyless Standard
Color	Beige
Application	For use with buffered fiber
Color, boot	Black
Includes	Boot
Package Quantity	10
Packaging Type	Bag

Regulatory Compliance/Certifications

Agency	RoHS 2011/65/EU	Classification	Compliant
