

Jackmoon Custom Duct Plug, Size 6.00, for up to 6 cables with outer diameter between 38.1 and 41.9 mm

- Anchors and organizes subducts or multiple duct systems
- Eliminates duct-edge abrasion to cables
- Excellent for supporting cables at the tops of risers
- Expandable gasket allows for expansion and contraction of cables or subducts without leakage
- Split design for retrofitting without disassembly

## Product Classification
