## NG4-VDML1MYA200C1K

# NG4access® Module VAM, DWDM, 20 channels, 100 GHz channel spacing, starting channel 20, 1 circuit, Mux, LC/APC, left, 1 test port

- VAMs help enhance optical transport systems by providing flexible, easy to incorporate optical components into the network
- VAMs increase fiber capacity and help troubleshooting or distributing signals to multiple subscribers
- \*Product complies with the Build America, Buy America Act (BABAA) requirements of the Infrastructure Investment and Jobs Act of 2021 (Pub. L. 117- 58, §§ 70901-70953), or is the subject of a waiver approved by the Secretary of Commerce or designee. Compliance requirements and waiver applicability vary based on government funding program. Check the laws and regulations for your specific program.

### Product Classification

| Regional Availability | Latin America   North America               |

| Government Funding    | Build America Buy America (BABA) compliant* |

### General Specifications

| Device Type            | Plug-and-play module           |  |
|------------------------|--------------------------------|--|
| Functionality          | Multiplexing                   |  |
| Application            | For use with NG4 access frames |  |
| Circuits, quantity     | 1                              |  |
| Distribution Type      | 20-channel DWDM                |  |
| Interface, front       | LC/APC                         |  |
| Interface, Input       | LC/APC                         |  |
| Interface, Output      | LC/APC                         |  |
| Multiplexers, quantity | 1                              |  |
| Port Type, optional    | Test port                      |  |
| Tray Orientation       | Left orientation               |  |
|                        |                                |  |
