# MST-ONXX00-B0600U

DLX® Mini-MST, Fiber Optic Multiport Service Terminal, 4-port with 1x4 splitter, locat./tonable flat loose tube cable, 600 ft

- Hardened connectors are factory-terminated and environmentally sealed for use in optical drop cable deployments
- Plug and play adapter ports ensure rapid cable installment in the outside plant access section of the network
- Multiport Service Terminals incorporate hardened connector technology that is designed to withstand the rugged outside plant environment

#### Product Classification

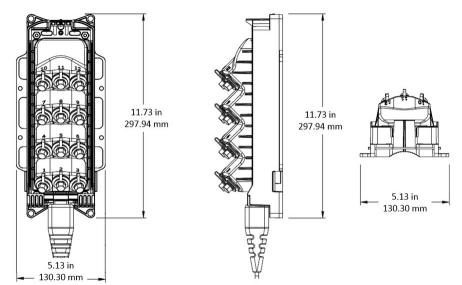

| Regional Availability  | Asia   Latin America   North America |
|------------------------|--------------------------------------|
| Product Type           | Access terminal, with splitter       |
| Product Brand          | DLX®                                 |
| Product Series         | Mini-MST                             |
| General Specifications |                                      |
| Cable Type             | Locatable - Flat - Loose Tube        |
| Cable, quantity        | 1                                    |
| Distribution Type      | 1 x 4 splitter                       |
| Enclosure Color        | Black                                |
| Mounting               | Handhole   Pedestal   Pole   Strand  |
| Port Type              | Hardened mini-size DLX               |
| Port, quantity         | 4                                    |
| Splitter, quantity     | 1                                    |
| Stub Type              | Stub tail                            |
| Dimensions             |                                      |
| Height                 | 298 mm   11.732 in                   |
| Width                  | 130.3 mm   5.13 in                   |
| Depth                  | 89 mm   3.504 in                     |
| Cable Length, stub     | 600 ft (182 m)                       |
| Cable Outer Diameter   | 5.0 mm (0.20 in)                     |
|                        |                                      |
