

Pulling Grip for 12/24/36/48 fiber armored cable

## Product Classification

**Regional Availability** Asia | Australia/New Zealand | EMEA | Latin America | North America

**Product Type** Pulling grip

## Dimensions

**Compatible Cable Diameter** 45.72 mm | 1.8 in

## Mechanical Specifications

**Tensile Load, maximum** 444.822 N | 100 lbf

## Regulatory Compliance/Certifications

### Agency

ISO 9001:2015

### Classification

Designed, manufactured and/or distributed under this quality management system
