

MT-195-12U

Upper Support Rail Kit for co-location platforms, 12 ft face with XA-U Universal Cross-over

Product Classification

Product Type Support rail kit

General Specifications

Mounting Pipe, 60.3 mm (2-3/8 in.) OD

Sectors, quantity 3

Dimensions

Height 185.42 mm | 7.3 in

Face Width 3.81 m | 12.5 ft

Width 3810 mm | 150 in

Pipe Outer Diameter 60.96 mm | 2.4 in

Material Specifications

Material Type Hot dip galvanized steel

Packaging and Weights

Included Crossover angles (12) | Hardware | Rail

Packaging quantity 1

Weight, net 110.994 kg | 244.7 lb

Regulatory Compliance/Certifications

Agency

ISO 9001:2015

Classification

Designed, manufactured and/or distributed under this quality management system
