

COLD-SHRINK-SERIES

Base Product

Cold Shrink Kits for Coaxial Connections

Product Classification

Product Type	Cold shrink kit
Product Brand	HELIAX®

General Specifications

Application	Provides additional moisture seal for cable connections
Color	Black

Material Specifications

Material Type	EPDM rubber
----------------------	-------------

Environmental Specifications

UV Resistance Test Method	UV condensation reference ASTM-G-53, light source UVA 340 fluorescent lamp
UV Resistance, minimum with no degradation	≥1000 hours
Weather Resistance Test Method	04AS00-03.6.0 MIL-STD-1344A, Method 1002
